DODGEBALL (YOUTH ONLY)

Two teams, each team gets ten players per round, substitutions may be made between rounds only. Players must never cross the dividing line. First team to completely eliminate the opposing team wins that round; first team to win 5 rounds wins the match. To eliminate a player you must hit him with a ball or catch a ball he has thrown. Once a player is hit he must sit on the sidelines for the remainder of the round. If a teammate catches an opposing player's throw he may designate one teammate who is out to return to the game. Players who hit someone in the head are eliminated from that round.
